## Nature Of Opinion

Docket Number: W-01445A-15-0277

Docket Position: Against

My opinion is the requested amount is absurd. I am a customer of the utility and the outcome of this case will have an effect me. Every person, entity, business is on some form of a budget. Responsible parties need to stay in those budgets and quit asking for more. Professionally, I am tasked to handle many problems in our community. I see the standards people are living in now. We are dealing with property owners who cannot afford their existing utilities at the current rates! I hope the Commission takes a reasonable look at this company's request and applies a responsible decision that will affect the voting citizens they represent, not a business looking to increase their profits. Thank you. Dennis Gillespie
